REPORT OF INDEPENDENT AUDITOR

Board of Directors
Plan B Investments, Inc.
Burbank, California

I have audited the accompanying statement of financial condition of Plan B Investments, Inc. as of December 31, 2007 and related statements of income, changes in shareholder's equity and cash flows for the year then ended. These financial statements are being filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934 and include the supplemental schedule of the net capital computation required by rule 15c3-1. These financial statements are the responsibility of Plan B Investments, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, such financial statements referred to above present fairly, in all material respects, the financial condition of Plan B Investments, Inc. as of December 31, 2007 and the results of its operations, shareholder's equity and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.
